

TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE

**FISCAL NOTE**

**SB 203 - HB 332**

February 2, 2021

**SUMMARY OF BILL:** Requires a student to have the opportunity to make up any school work missed and be counted as present while the student was participating in an activity or program sponsored by 4-H, unless such participation occurs during the Tennessee Comprehensive Assessment Program (TCAP) tests or during any period of time for which the student has been suspended, expelled, or assigned to an alternative school or alternative program.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumptions:

- The proposed legislation may increase the average daily attendance (ADA) of schools. For schools operating within counties with multiple school systems, the distribution of local tax revenue may be altered with a larger share of such revenue being apportioned to schools with larger ADAs. However, the net impact to local government in such instances is considered not significant.
- The proposed legislation would not affect average daily membership (ADM) which is based on student enrollment and is the primary driver of funds generated by the Basic Education Program (BEP); therefore, there will be no impact to BEP funding.
- No impact to state or local operations.
